

INDUSTRY LEADER IN PARKADE MAINTENANCE SINCE 2003

TOP 3 SERVICES

LOW PROFILE VACUUM TRUCK SERVICE

- Protect your entire drainage system from accumulating debris by cleaning it out with our low-profile trucks with 6'5" clearance.
- Sleep with peace of mind knowing your property's basins are clean!

HYDRO JETTING SERVICE

- Whether it is unclogging a blockage(s) or routine cleaning to remove debris or scaling, we have specialised nozzles designed to clean your pipes thoroughly.
- Never worry about blockages, debris or scaling again with regular servicing to effectively eliminate bigger issues!

PRESSURE WASHING SERVICE

- Freshen up your parking lot by removing unwanted smells, tracked in dirt, and stubborn grease stains with highly pressurized water and environmentally friendly degreasers.
- This is the best method to keep your property looking brand new!

OTHER SERVICES OFFERED

CAMERA LINE INSPECTION

Get a visual inspection of your drainage pipes; ideal for diagnosing drainage problems

LINE PAINTING

Refresh the look and increase the safety of your parking lot with clear painted stencils, safety lines, and more

CONCRETE CRACK REPAIRS

Repair cracked concrete with polyurethane or epoxy injection to prevent structural integrity loss or further concrete cracking

SPEED BUMP INSTALLATION

Increase the safety of your parking lots with strategically installed, high quality speed bumps
